MITCHELL J GREENBERG, MD

Medical Director & Board-Eligible Ophthalmologist

Cataract Physician & Surgeon, Glaucoma & Retina Care

Dr. Mitchell Greenberg, M.D., M.S. is a board-eligible ophthalmologist specializing in the medical and surgical management of cataracts, glaucoma, anterior segment conditions, and comprehensive ophthalmic treatment. Dr. Greenberg prides himself in providing patients with the most advanced surgical care with cutting-edge technology and novel technique.

Dr. Greenberg is originally from Chicago, Illinois and obtained his undergraduate education at the University of Michigan – Ann Arbor. After completing a Master's of Biological Sciences, he earned his medical degree at the Chicago Medical School in North Chicago, Illinois. After graduation, he completed a medical internship at the University of Central Florida and residency at the esteemed John H. Stroger Hospital of Cook County in Chicago, Illinois. During this time, he provided medical and surgical rehabilitation for tens of thousands of underserved, low-resource patients.

Dr. Greenberg has also been actively involved in medical research. He has authored three book chapters on anterior segment ophthalmic diseases and numerous additional research studies, which have been presented at national and international conferences.

Dr. Greenberg is an active member of the American Academy of Ophthalmology, American Society for Cataract and Refractive Surgery, and the Association for Research in Vision and Ophthalmology.

We welcome you to our practice and look forward to working with you in providing professional eye care.
